

PPC CONTINUING EDUCATION GRANT

Sponsored by Pharmaceutical Partners of Canada (PPC)

Pharmaceutical Partners of Canada (PPC) will provide a grant of \$1,000 to the PTSA.

Its purpose is to encourage pharmacy technicians and assistants to participate in continuing education conferences, programs, seminars and/or further educational programs.

AWARD DESCRIPTION

PTSA is offering this grant as four awards of \$250 (two hundred and fifty dollars) each towards expenses incurred as a result of attending a continuing education program and/or purchase of educational materials that are directly related to the applicant's professional development.

To be considered for an award, applicants must submit a draw form to the current Chair of the Awards Committee, PTSA. The award will take the form of reimbursement for expenses incurred for education between October 1, 2009 and September 30, 2010.

All members who submit the Draw Form and meet the following criteria will be entered into the draw for one of four education awards.

ELIGIBILITY CRITERIA

- The applicant shall be an active member of PTSA at the time of their application, both when the award is drawn and when an expense claim is submitted.
- The award money is to be utilized between October 1, 2009 and September 30, 2010.
- The applicant must agree to submit an expense claim including receipts and information about the educational program and/or course, to PTSA Chair of the Awards Committee for approval within 30 days of attendance at the educational program and/or purchase of the educational materials.
- The recipient must be prepared to present a summary highlighting one aspect of the program attended at the next PTSA Annual General Meeting (5-10 minutes in length) or write a short column for Techs In Touch.
- A random draw from eligible applications will be held on Friday, September 18, 2009 at the Annual Alberta Pharmacy Technician Conference. Winners not in attendance will be notified in writing.

Application deadline: September 12, 2009

Our Vision: The recognized leader for Pharmacy Technicians in Alberta and an integral partner in optimizing pharmacy services.
